Geography Word Lab: Continents and oceans

Level A2 · about 25 minutes · the big shapes of our planet

1 BRAIN TEASERS

Read the clue. Write the English word in the boxes.

1. I am the largest continent. More people live on me than on any other continent.
2. I am the largest and deepest ocean on Earth.
3. I am the coldest continent. I am at the South Pole and I am covered in ice.

2 COOL FACT: SEVEN CONTINENTS, FIVE OCEANS

Earth has seven **continents**: Africa, **Antarctica**, **Asia**, Australia, Europe, North America and South America. Asia is the largest continent, and Antarctica is the coldest. Water covers about 71 percent of the **surface** of Earth. There are five **oceans**: the **Pacific**, the Atlantic, the Indian, the Southern and the Arctic. The Pacific is the largest and the deepest ocean.

continent = a very large piece of land

percent = a part of one hundred

surface = the top layer of something

deepest = with the most distance down
