LITTLE WONDERS ESL

History Word Lab: The Stone Age

Level A2 · about 25 minutes · hunters, fire and cave paintings

1 BRAIN TEASERS

Read the clue. Write the English word in the boxes.

1. I give light and heat. People in the Stone Age used me to cook food and to stay warm.
2. Early people sometimes lived in me. I am a big hole in a hill or a mountain.
3. This is the work of growing plants and keeping animals for food.

2 COOL FACT: LIFE LONG AGO

The Stone Age was the long time when people made their **tools** from stone. It began about three million years ago. The early people were **hunters**. They hunted animals, caught fish and collected fruit. They moved from place to place to find food. They used **fire** to cook food and to stay warm. They painted animals on the walls of **caves**. About 10,000 years ago, people began **farming**, and they built the first **villages**.

tools = things that help us do a job

hunted = followed and caught animals

collected = picked up and kept

villages = very small towns

3 WORD HUNT
