EVERYDAY SERIES

Everyday Weather 1

Level A2

Sentence Flashcards

Ages 6–10

How to use this set

Teacher / Parent Guide · Everyday Weather 1 · Level A2

1 Show and read
Show the picture. Read the sentence together; point to the green weather word.

2 Point and talk
Use the side photos and facts. Ask the purple question.

3 Act it out
Shiver for cold, fan yourself for hot, open an imaginary umbrella.

4 Story pages
Read each short story page; it follows Max's kite week. Each card is a checkpoint: ask what the weather is.

5 Worksheet & daily talk
At the end: What's the weather? Then ask every day: What's the weather like today?

Learning goals · Level A2

Words (6) · the weather words the child learns to say

sunny · cloudy · rainy · snowy · stormy · windy

New at A2: lightning, thunder, puddles

Past tense · Talk about yesterday.

e.g. It was windy yesterday. · Yesterday it was rainy, but today it is sunny.

Linking and comparing · Join ideas; compare two things.

e.g. so · but · warmer, darker, higher than

Skills · What the child can do by the end.

Can do Describe yesterday's weather and what you did · answer "why"

Max has a new red kite, and he can't wait to fly it.

sun

sunglasses

sunny

The sun **warms** the ground, so sunny days are **warmer** than cloudy days.

Bright sunlight can hurt our eyes, so we wear **sunglasses**.

Why is a sunny day usually warmer than a cloudy day?

Yesterday it was cloudy, but today it is **sunny**, so it feels warmer.

Story · Max's Kite Week

On Monday it is **sunny**, but there is no wind, so the kite falls down.

clouds

hidden sun

cloudy

Clouds **block** sunlight, so cloudy days are darker and cooler.

When clouds hold more water, they get **greyer** and **heavier**.

Why do gray clouds often **bring rain?**

This morning was **cloudy**, so the town looked darker than yesterday.

On Tuesday it is **cloudy** and still. Max holds the kite up and waits.

raindrops

puddles

rainy

When cloud drops get too **heavy**, they fall as rain.

Plants grow **because** their roots drink the rain.

Why do plants grow faster after rain?

It **rained** all morning, so I stayed inside and read a book.

Story · Max's Kite Week

Wednesday is **rainy**, so Max stays inside. On Thursday he wakes up to **snow**! "What crazy weather!" says Dad.

snowman

hat

snowy

Snow is **colder** than rain **because** it is frozen water.

It **will snow** again tomorrow, so I will wear my warm coat.

Why does it snow in winter but not in summer?

It **snowed** last night, so the park was white and I built a snowman.

Story · Max's Kite Week

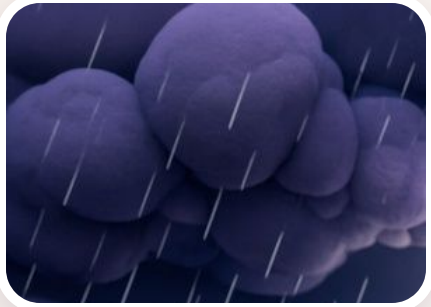

The snowman wears the kite like a cape. On Friday there is a **storm**, so everyone stays inside.

lightning

storm clouds

stormy

We see lightning **before** we hear thunder **because** light is faster than sound.

Lightning can hit tall trees, so we **don't stand** under them in a storm.

Why do we see lightning before we hear thunder?

Last night was **stormy**, so we stayed inside our warm house.

Story · Max's Kite Week

Thunder rumbles outside, so Max draws his kite flying high in the sky.
Will it be **windy**?

kite

leaves

windy

Wind is **stronger** on a hill **because** nothing blocks it.

The wind **pushes** the kite up, so it flies.

Why is it windier on a hill than in a garden?

It was **windy** on the hill, so my kite flew higher than the trees.

The kite flies high in the **windy** sky!

Worksheet 1 · What's the weather?

Draw a line. Then say why: "Yesterday it was ____, so I ____ because ____."

snowy

foggy

sunny

stormy

rainy

windy
