EVERYDAY SERIES

Everyday Weather 1

Level A2

Sentence Flashcards

Ages 6–10

How to use this set

Teacher / Parent Guide · Everyday Weather 1 · Level A2

1. **Story time**
   Start with the story: Max's weather day.

2. **Show and read**
   Show the picture. Read the sentence together; point to the green weather word.

3. **Point and talk**
   Use the side photos and facts. Ask the purple question.

4. **Act it out**
   Shiver for cold, fan yourself for hot, open an imaginary umbrella.

5. **Bridge pages**
   Between two cards, read the short story that links them.

6. **Worksheet & daily talk**
   At the end: What's the weather? Then ask every day: What's the weather like today?

Learning goals · Level A2

Words (6) · the weather words the child learns to say

sunny · cloudy · rainy · windy · snowy · stormy

New at A2: lightning, thunder, puddles

Past tense · Talk about yesterday.

e.g. It was windy yesterday. · Yesterday it was rainy, but today it is sunny.

Linking and comparing · Join ideas; compare two things.

e.g. so · but · warmer, darker, higher than

Skills · What the child can do by the end.

Can do Describe yesterday's weather and what you did · answer "why"

Story time · Max's weather day

Hi! This is Max. He is nine, and he loves watching the weather every day.

This morning he looked out of the window and saw a gray, cloudy sky.

Mom said, "It will rain later, so take your **umbrella."**

Max packed his umbrella and raincoat because he wanted to stay dry.

On the way to school, the sky got darker and the wind got stronger.

Then it started to rain, but Max was ready!

sun

sunglasses

sunny

The sun **warms** the ground, so sunny days are **warmer** than cloudy days.

Bright sunlight can hurt our eyes, so we wear **sunglasses**.

Why is a sunny day usually warmer than a cloudy day?

Yesterday it was cloudy, but today it is **sunny**, so it feels warmer.

Bridge · sunny and cloudy

sunny

and

cloudy

Tiny story

It is **sunny**. Max plays outside. Then big gray clouds come. Now it is **cloudy**.

Yesterday it was sunny, but today it is cloudy.

Say it: It is sunny. Now it is cloudy.

clouds

hidden sun

cloudy

Clouds **block** sunlight, so cloudy days are darker and cooler.

When clouds hold more water, they get **greyer** and **heavier**.

Why do gray clouds often **bring rain?**

This morning was **cloudy**, so the town looked darker than yesterday.

Bridge · cloudy and rainy

cloudy

and

rainy

Tiny story

It is **cloudy**. The clouds are dark. Drip, drop! Now it is **rainy**.

The clouds got heavier, so it started to rain.

Ask: What comes from dark clouds?

raindrops

puddles

rainy

When cloud drops get too **heavy**, they fall as rain.

Plants grow **because** their roots drink the rain.

Why do plants grow faster after rain?

It **rained** all morning, so I stayed inside and read a book.

Bridge · rainy and windy

rainy

and

windy

Compare

When it is **rainy**, water falls. When it is **windy**, air moves. Rain makes puddles. Wind moves the trees.

Rain falls down, but wind blows across.

Say it: It is rainy. It is windy.

kite

leaves

windy

Wind is **stronger** on a hill **because** nothing blocks it.

The wind **pushes** the kite up, so it flies.

Why is it windier on a hill than in a garden?

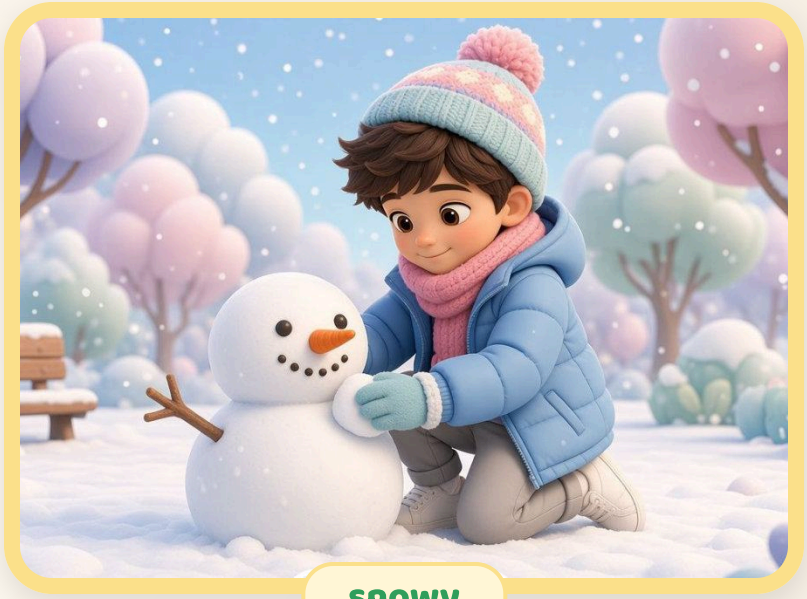

It was **windy** on the hill, so my kite flew higher than the trees.

Bridge · windy and snowy

windy

and

snowy

Tiny story

It is **windy**. Max flies his kite. The wind is very cold. Look! White snow. Now it is **snowy**.

It got colder and colder, and then snow started to fall.

Ask: Do you like windy or snowy days?

snowman

hat

snowy

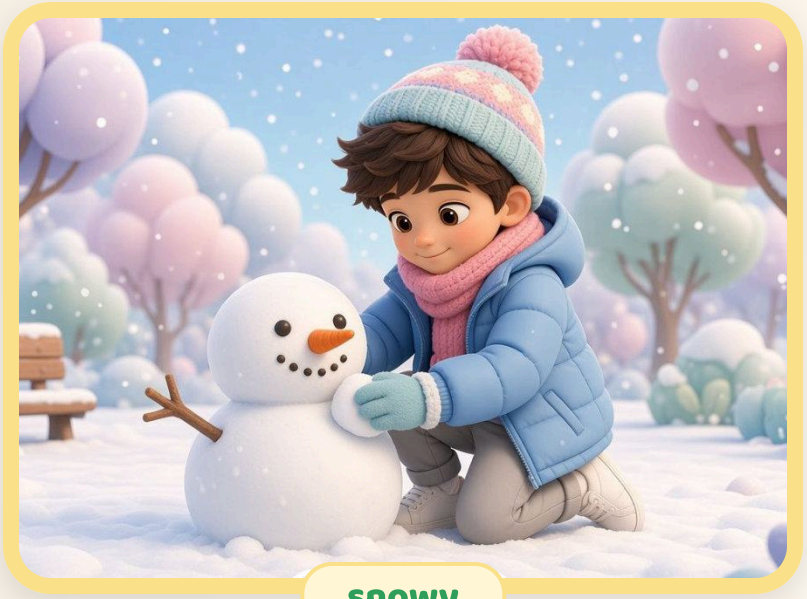

Snow is **colder** than rain **because** it is frozen water.

It **will snow** again tomorrow, so I will wear my warm coat.

Why does it snow in winter but not in summer?

It **snowed** last night, so the park was white and I built a snowman.

Bridge · snowy and stormy

snowy

and

stormy

Compare

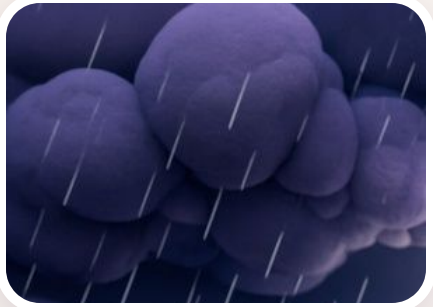

When it is **snowy**, it is quiet. When it is **stormy**, it is loud! Snow falls softly. Thunder goes boom.

A storm is louder than snow because of the thunder.

Say it: Snow is quiet. Thunder is loud.

lightning

storm clouds

stormy

We see lightning **before** we hear thunder **because** light is faster than sound.

Lightning can hit tall trees, so we **don't stand** under them in a storm.

Why do we see lightning before we hear thunder?

Last night was **stormy**, so we stayed inside our warm house.

Worksheet 1 · What's the weather?

Draw a line. Then say why: "Yesterday it was ____, so I ____ because ____."

snowy

foggy

sunny

stormy

rainy

windy
