EVERYDAY SERIES

# Everyday Weather 1

**Level A2**

## Sentence Flashcards

Ages 6–10

# How to use this set

Teacher / Parent Guide · Everyday Weather 1 · Level A2

**1 Show and read**
Show the picture. Read the sentence together; point to the green weather word.

**2 Point and talk**
Use the side photos and facts. Ask the purple question.

**3 Act it out**
Shiver for cold, fan yourself for hot, open an imaginary umbrella.

**4 Story pages**
Read each short story page; it follows Max's kite week. Each card is a checkpoint: ask what the weather is.

**5 Worksheet & daily talk**
At the end: What's the weather? Then ask every day: What's the weather like today?

## Learning goals · Level A2

**Words (6)** · the weather words the child learns to say

sunny · cloudy · rainy · snowy · stormy · windy

New at A2: lightning, thunder, puddles

**Past tense** · Talk about yesterday.

e.g. It was windy yesterday. · Yesterday it was rainy, but today it is sunny.

**Linking and comparing** · Join ideas; compare two things.

e.g. so · but · warmer, darker, higher than

**Skills** · What the child can do by the end.

Can do Describe yesterday's weather and what you did · answer "why"

## Story · Max's Kite Week

Dad gives Max a new red kite, and Max can't wait to fly it.

sun

sunglasses

sunny

The sun **warms** the ground, so sunny days are **warmer** than cloudy days.

Bright sunlight can hurt our eyes, so we wear **sunglasses**.

**Why is a sunny day usually warmer than a cloudy day?**

Yesterday it was cloudy, but today it is **sunny**, so it feels warmer.

On Monday it is **sunny**, but there is no wind, so the kite falls down.

clouds

hidden sun

cloudy

Clouds **block** sunlight, so cloudy days are darker and cooler.

When clouds hold more water, they get **greyer** and **heavier**.

Why do gray clouds often **bring rain?**

This morning was **cloudy**, so the town looked darker than yesterday.

On Tuesday it is **cloudy** and still. Then the first raindrops start to fall.

raindrops

puddles

rainy

When cloud drops get too **heavy**, they fall as rain.

Plants grow **because** their roots drink the rain.

**Why do plants grow faster after rain?**

It **rained** all morning, so I stayed inside and read a book.

## Story · Max's Kite Week

Wednesday is **rainy**, so Max stays inside. On Thursday he wakes up to **snow**! "What crazy weather!" says Dad.

# Max's Kite Week · Draw a Line to Match

**Read about Max's day. Draw a line to the weather. One picture is not used!**

On Monday the sky was blue and bright, so it was warmer than the weekend.

On Tuesday the sun hid behind big grey shapes, so the town looked darker.

On Wednesday I heard drops on the window, so I stayed inside and read a book.

snowman

hat

snowy

Snow is **colder** than rain **because** it is frozen water.

It **will snow** again tomorrow, so I will wear my warm coat.

**Why does it snow in winter but not in summer?**

It **snowed** last night, so the park was white and I built a snowman.

The snowman wears the kite like a cape. On Friday there is a **storm**, so everyone stays inside.

lightning

storm clouds

stormy

We see lightning **before** we hear thunder **because** light is faster than sound.

Lightning can hit tall trees, so we **don't stand** under them in a storm.

**Why do we see lightning before we hear thunder?**

Last night was **stormy**, so we stayed inside our warm house.

On Saturday morning the trees are moving. At last, it is **windy**!

kite

leaves

windy

Wind is **stronger** on a hill **because** nothing blocks it.

The wind **pushes** the kite up, so it flies.

**Why is it windier on a hill than in a garden?**

It was **windy** on the hill, so my kite flew higher than the trees.

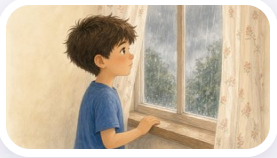

The kite flies high in the **windy** sky, and Buddy chases its shadow!

# Worksheet 1 · What's the weather?

Draw a line. Then say why: "Yesterday it was ____, so I ____ because ____."

snowy

foggy

sunny

stormy

rainy

windy
